Re: Department Head Reports

Report Date: May 7, 2021

In order to keep you informed of the Department activities of the office, I'm forwarding this report of activities of the City staff for the previous Friday - Thursday. If there are any additional questions please do not hesitate to ask.

1. CLERK/TREASURER'S OFFICE:

- **COVID REPORT:** City Hall remains closed to the public. The vault in the Clerk's office is open by appointment only on Tuesdays, Thursdays and Fridays. Most other services are being provided through the mail, email or passing documents through the front door.
- Continuing to work on TIF state audit. We expect to hold our exit interview in the near future, followed by an opportunity to read and respond to the draft audit report before issuance of the final report. The process is expected to be completed by June-July.
- The school budget revote is May 11th as a drive-through in the BOR. Polls will be open 7AM – 7PM. 1,300 ballots have been mailed to those who received mail ballots for the March 2nd annual town meeting election, and 850 have been received back as of today.
- We have received a number of abatement requests since our last hearing in February 2020. The intention is to bring the requests before the Board of Abatement before the end of May. Last year's COVID legislation allowing the Council to act as the Board of Abatement during the Governor's emergency order expired at the end of calendar year 2020, so the full BOA will need to meet to hear the requests.
- H.444: Barre City's charter changes. In addition to legislative concern about the flag language, the House Transportation Committee has taken it upon themselves to weigh in on the bill, even though it's not assigned to them. The Committee says the speed limit language needs to be worked out with AOT before the language can be approved.
- The 4th quarter property taxes are due by May 17th, as the 15th falls on a Saturday.

2. BUILDING AND COMMUNITY SERVICES:

- The batting cages were utilized on Saturday by the Montpelier Little League as well as Barre Community Baseball. They were also utilized Monday through Friday by Barre Community Baseball, Monday through Wednesday by Spaulding High School, Monday by Williamstown Little League and Tuesday and Thursday by Montpelier Little League.

- On Thursday, I participated in a pool project meeting with the consultants, contractor and City staff.
- The Board of Civil Authority held pre-voting meeting on Thursday evening in Alumni Hall.
- I had three summer part time employees for the cemeteries start on Monday. We mowed all of Elmwood and most of Hope as well as trimming at Hope. The Calcagnis (Granite Corporation of Barre) mowed the front lawns at Hope to help us out. We have also begun getting lots ready for foundation installations. We had one vault removal at the Elmwood vault this week.
- The Facilities crew continued working on painting the City Hall lobby. We also mowed at some of the playgrounds, cleaned up trash and debris at all the playgrounds and either cleaned or painted over graffiti at the parks and playgrounds.

³One re-inspection can encompass multiple inspection types - this is why the re-inspection type-specific total is frequently greater than the # of inspections.

⁵Filtering out portal inspections can cause violations cited to be less than violations cleared (violation cited count comes from both department and portal inspections, while violations cleared only come from department inspections).
