There was a discussion about the capital fund and how funds are designated for equipment, and exploring the possibilities of recovery of expenses associated with the replacement of the turnout gear.

Consensus of the Council was to set the budget revote for May 14<sup>th</sup>. Councilor Herring said the City School Board is planning on following the Council's lead with regards to a date for the school budget revote. Mayor Lauzon said he recommended removing the two additional police officers and putting out the baseline budget originally recommended by the Budget Review Committee.
