Topic(s) Discussed (use additional sheets as necessary):

The Director updated the committee on the registrations to date for the summer camps. The goal was to reach 40 different youngsters for the weeklong camps. As of the meeting, 38 spots were filled and it was expected to be full within the next day or two. Lifeguards are still needed for the swimming pool. The pool, like several other businesses in the City, are looking for workers. If we are not able to secure more Lifeguards the open schedule will need to be altered.

No action was taken due to a lack of a quorum.
