

Barre City Diversity and Equity Committee 6/20/2022 draft minutes

1. Members present: Ellen Kaye, Chris Roberts, Joelen Mulvaney, William Toborg, Joelen read the opening statement and informed the committee that committee member Danielle had not renewed her membership and we are without a recording secretary. Due to the lateness of this information Joelen will review the recording and take minutes from it when the city retrieves it from the archives.
2. No adjustments to agenda
3. New business:
 - a. Committee Report - Joelen placed the report in google docs so members could comment/edit. She advised the group about the city's budget calendar and urged them to be mindful of the August deadline. Chris agreed to do the editing.
 - b. Application to join the committee – Joelen and Chris will draft an application form different from the city's due to the unique nature of the committee's work and the need for more specific vetting.
