

# GIVING THOUGHT TO BARRE CITY'S ENERGY FUTURE

Barre City Energy Committee invites you to complete a short energy survey for a chance to win \$50 or a dinner for two at The Meltdown.

Until November 8th, we are seeking feedback from all residents, including renters, home and business owners and young families.

We're nearly half way to our goal of 400 returned surveys. Will you complete it too?

Thank you in advance for helping to inform us and City decision-makers about energy saving opportunities, concerns and actions to meet the City's target goals for clean electricity. Your opinion matters.

Take the 5-minute survey with this link: <https://www.surveymonkey.com/r/SC3F5R2>
