

CITY OF BARRE PUBLIC BODY MEETING MINUTES

Committee/board:

Date of meeting: November 4, 2019

Location of meeting: Alumni Hall

Board/committee members in attendance: Maureen Morey, Kelly Ross, Brett Rubinate, Stephanie Quaranta

Board/committee members absent: Linda Couture

Topic(s) Discussed (use additional sheets as necessary):

The committee was updated on the status of the swimming pool renovations. The summer programs were discussed that include the full week day camp as the pool will be closed. It is hoped that it can be based at BCEMS. The Challenger half day soccer camp will return as well as the one for the younger children. The Clif reading grant will be applied for and we hope to have success with that event. The USTA is interested in running a program for us this summer and discussions will take place this winter. The Wicked Cool for Kids camps will also return. We had used this group when we had the Promise Grant. Details will be out early enough for sign ups, etc.

New programs will be rolled out in December that will invite adults M-F to skate at the BOR on their lunch time. A window of 11 -2 has been set up. This will be a non-structured program. The same will be for noontime basketball on as many available days as possible.

Breakfast with Santa is set and the board is eager to assist. Members expressed that a lack of skate rentals prevents many from attending Public Skating sessions. Vacation basketball and preschool gym time will also be added.

Meeting adjourned 6:00 p.m.
