**Topic(s) Discussed (use additional sheets as necessary):**

The Great Park Challenge was presented and discussed. Board members liked the idea and will assist in creating the questions on each of the areas. This is a great program to introduce residents to the wonderful neighborhood playgrounds and parks that we have here in Barre City.

An overview of the programs that have been secured was presented – Challenger Soccer camp, VET Camp, Robotics Camp, Science Camp and the Tennis program.

The remainder of the meeting focused on the summer day camp. At this time BCEMS has noted the camp cannot be held there due to construction. The board supported discussing this again as BCEMS is the ideal spot with the fields, multi purpose room, library, summer meal program and access to Rotary Park. The group discussed hours and fees, providing what is reasonable for the program.

The CLIF grant will also be submitted with hopes of offering that event again this year.
