Committee Membership Update: Carl Hilton VanOsdall and Jim Deshler have requested to become Committee members. Chris will contact Steve Mackenzie regarding Council Appointment. Committee Roles as outlined in the Management Plan were briefly discussed. There was a general discussion on project- based roles vs. official roles. There are some roles that require a knowledge base i.e. Natural Resource Management Coordinator. The individual in this particular role would assist in management decisions.

Cow Pasture Logo- There were 6 submissions. All were very artistic and professionally done. The Committee reviewed the submissions being mindful of the Logo Guideline criteria provided by Tim. Tim will contact individuals that submitted logos that were the Committee’s favorite and ask about modification to better fit the intended use of the logo. An official announcement of the Committee’s choice will be made at the September Meeting. The Committee will follow-up with PR, Council presentation and possible display of all the entries.

Dog Policy- Sub-Committee members Fab Pattison and Tim Rapenzynski presented a final draft of a Canine Code of Conduct and a Dog Policy update. Minor adjustments to wording were made. Fab will reach out to the Barre City Police Department to discuss the proposed *Incident Reporting Policy and Procedure*. It was recommended that the Police contact the Committee and provide details of any report that may require action by the Committee and frequent or repeat incidents. Policy will be finalized and posted to the Barre City Cow Pasture Web site along with the Incident Reporting Form.
