**Discussion about the Cozzi Fountain:**

Jeff Bergeron, the point person for the fountain project, opened the meeting with his choices for his "Sub-Committee".

We all agree that the placement for the fountain should be at the entrance to Hope Cemetery.

We also agreed that we should begin with a professional Cemetery Planner to set the design parameters for the artists.

A lively discussion followed.

**Meeting was adjourned at: 4:56 pm**

Mover: Renie

Second: Helen

The next meeting will be held on **December 15, 2025.**

Respectfully submitted,

Ilene R. Gillander, Secretary
